Disclaimer

ESMA has compiled this register of management companies, investment firms, alternative investment fund managers, regulated markets, multilateral trading facilities, organised trading facilities, systematic internalisers and data reporting services providers authorised by the national competent authorities of the Member States. Please refer to the specific disclaimer in respect of each type of entity by clicking on the dedicated link.

In addition to the above provisions, your attention is drawn to the [Legal Notice of the ESMA website](#).

ESMA also draws users' attention to the fact that ESMA is in the process of working with the NCAs in order to complete the operational steps necessary for them to upload all national data to the ESMA register. Please refer to the website of the [competent national supervisory authorities](#) for national data not available on the ESMA register and for further information. The portal offers [machine-to-machine services](#) to large-scale organisations, exposing a set of web services for retrieval of data maintained in ESMA register's repositories.
